To inspire and encourage healthy eating choices among school students hold a theme day at your school. It is important that you plan theme days well in advance, to ensure you have plenty of time to prepare and promote the events effectively. Plan a calendar of promotions at the start of each year or term.

Theme days

Cultural theme day activities could include:

- Classroom activities involving learning about the history of cultural cuisines
- Classroom activities investigating the history of particular cultural cuisines in Australia (for example the impact that immigration has had on Australia's food preferences)
- Classroom activities based around designing your own recipes
- Classroom activities involving learning about a countries major food exports
- Cooking workshops
- Specials at the tuck shop

Here are some ideas for healthy food options in your tuckshop for theme days.
