

Food Foundations

Our work, our achievements

Professional development for over 14,000 educators and cooks since 2013.

Online training for 4000 educators and cooks since 2013.

Outcomes:

Increased knowledge and skills in nutrition and food safety.

Increasing the quality of your Early Year's service with food and nutrition.

Easy access to reliable information and support.

Improved skills and confidence to implement best practice strategies in line with the National quality standard.
